

UNIVERSITY OF PETROLEUM AND ENERGY STUDIES

**ANNUAL REPORT
2019-2020**

CHANCELLOR'S MESSAGE

It is my pleasure to present the Seventeenth Annual Report of University of Petroleum and Energy Studies (UPES). The University, as always, continues to ride high as a choice for higher education in the minds of the students and their parents. This Academic Year UPES has taken further initiatives towards strengthening the development and training of both students and staff as well as the academia-industry interface.

I am pleased to share that UPES has received the prestigious recognition in the Indian Higher education sector by globally acclaimed and international benchmarking - “QS Star Rating System”, which has rated UPES as ‘Five Star’ in Employability, Academic Development, Facilities and MBA Oil & Gas Management categories.

UPES has also been recognized for successfully engaging students and faculty through virtual media with required IT support systems and policies and granted the e-lead certification by “QS I Gauge Indian College and University Rating”.

This year UPES has been again certified as a “Great Place to Work” (GPTW). This is recognized as the Gold Standard for defining great workplaces across

business, academia and government organizations. The Certification methodology involves comparison of work culture with competitors, commitment to employees about improving workplace culture, projecting the Brand externally, attract and retain talent, trust levels between the organization and the employees and the employee's perception of various HR initiatives.

As part of the “People First” initiatives, UPES-HR launched various personnel development programs like Udaan, Shikhar, Kadam, Manthan and have also initiated activities on the 2nd phase of Shakti & Pragati programs.

UPES organized the 17th Annual Convocation at the Energy Acres Campus in Dehradun on 30th November 2019 with H.E. The Vice President of India Shri M. Venkaiah Naidu as the Chief Guest and the Hon'ble Governor of Uttarakhand, Smt. Baby Rani Maurya as the Presiding Chairperson.

Besides the Undergraduate and Postgraduate students, Degrees were also conferred on 02 Higher Doctorate and 27 Doctoral students who had completed the requirements as per university regulations. 13 Gold medals and 70 Silver medals were awarded to students of different disciplines based on their academic merit.

UPES takes pride that our Career Services wing continues to place our students with prestigious international and national organisations.

Our R&D activities continue to grow both in terms of Publications and Patents. I am happy to report that UPES published 63 patents this year.

In our efforts to become a more comprehensive and diverse University, UPES, launched the “School of Modern Media” which will be offering relevant courses with contemporary syllabus.

In the Covid pandemic lockdown, the initiatives taken earlier by the University enabled us to get organized for conducting teaching classes as well as continuous evaluation of students on a Learning Management System Tool - a mobile enabled digital learning and collaborative platform in a record time.

We appreciate the continued support of the Government of Uttarakhand. We also continue to look forward to the blessings, good wishes and support of all our stakeholders. We assure all the stakeholders our deep commitment to develop UPES as a world class institution.

With Best wishes,
Dr. S. J. Chopra
Chancellor

VICE CHANCELLOR'S MESSAGE

I feel excited and honoured to present the Annual Report 2019-20 of UPES. It was a challenging and eventful year with many milestones and achievements on various fronts. At the outset, I offer my heartiest congratulations to every member of the UPES family for their sustained hard work and brilliant performance.

UPES received various awards and recognitions in 2019-2020. To name a few, two of our programs of School of Engineering received accreditation by **National Board of Accreditation (NBA)** - B.Tech Automobile Engineering and B.Tech Chemical Engineering. UPES participated in **NIRF-2020** and received 66th Rank for Management and 167th for Engineering. UPES has achieved 4 Star Rating in **QS Stars Ranking** and achieved 5 Star Rating in Academic

Development, Employability, Facilities and Program Strength. University also ranked 1st in Best Academia Industry Alliance category. The University also achieved **International Accreditation Council for Business Education (IACBE)** for MBA (Oil and Gas Management) and MBA (Logistic and Supply Chain Management). The University received Coveted **Bureau Veritas Safeguard Certification** for maintaining the safety and hygiene provisions to fight against the pandemic. UPES was awarded **QS I.GAUGE E-Lead Certification for E-Learning Excellence for Academic**. UPES also collaborated as Facebook Blueprint University for Facebook's global education and training program. University has been awarded '**Excellence in Design Education**' at the Adobe Education Leaders Summit and Awards 2020.

As part of the charter expansion, UPES is now entrusted with the responsibility to provide education and conduct research in areas like Humanities, Social Science, Natural Science, Engineering Technology, Medical, Dental & Health Science, Law Studies and Formal Science. As part of the charter expansion, **UPES is planning to launch its seventh school - School of Modern Media.**

Educators have always played an instrumental role in the development and advancement of society and humankind. Despite their contribution, our world continues to face several challenges related to security, environment, energy and health. We believe that educators create a significant impact on overcoming these challenges and eventually improving the quality of life through their problem-solving abilities, research and innovation. We are living in a period of rapid change with expanding skills and expertise in several fields across the globe. The present day presents unique opportunities to produce leaders in various disciplines, who not only advance the knowledge of specific professions, but are also sensitive to protecting the environment and wealth of natural resources and maintaining equity. At UPES, we are committed to moulding world-class leaders who make a difference to society.

At the forefront of academic excellence are our 550+ faculty members, who are not just teachers and subject matter experts, but also mentors to our students. I would like to congratulate and thank them for their unwavering commitment and individual feats.

UPES has strong ecosystem to support innovations and research. To foster a research culture that provides solutions through innovative applied research to society and intellectually stimulating environment for research faculty, UPES has developed a commensurate research policy for Expansion of research databases. There is a provision of seed grant for undertaking interdisciplinary and innovative research projects, student support for research through a scheme 'RISE', Establishment of Resource Centre CAER (Centre for Alternate Energy Research), CMI (Center for Machine Intelligence) and Centre for Sustainable Management. University faculty have acquired patents on: 'Neelam Multi-fuel Burning Stove' and for inventing a 'Catalyst for Pyrolysis of mixed plastic waste and a method of pyrolysis.

Like every year, the students of UPES participated in various national and international competitions and won laurels for the University and we congratulate our students for their brilliance and competitive spirit. At UPES, placements and employability of our graduates is a key outcome. We closed the 2019-2020 academic year with **94% placements** of the eligible students.

The year 2019-2020 was the 'Year of Internationality' at UPES. From international collaborations to creating opportunities for our students to gain global exposure, we have taken numerous initiatives in this direction including the signing of MoU with The University of Law, UK. University signed 18 Academic MoU with International and National Institutions for student and faculty exchange, research and project collaboration.

As the world grapples with a crisis of gigantic proportions, we realize that our universe has been altered in ways we could have never conceived. Although this pandemic has disrupted our lives and upset our Academic Year plans, we were fortunate to have taken timely decisions, even before the state authorities issued directions, which ensured the safety of all concerned. The University made every effort to adjust its complex and hugely varied schedule of teaching, learning & assessment to ensure fairness while safeguarding the well-being of our students. UPES introduced UPESCare - a 24x7 counselling support for our students, faculty, staff and their families to address issues related to emotional well-being in these crisis-ridden times.

UPES is the first University in India to achieve a coveted certification of '**Great Place to Work**' by the Great Place to Work® Institute. The honour bestowed on us is a reaffirmation of our commitment towards our philosophy of 'People First'. After the successful conclusion of Shakti 1, UPES launched Shakti 2, a power-packed program for the emerging women leaders. The purpose of the program is to develop the leadership capability of our women leaders who will be taken through a carefully designed intervention focused on developing adaptive skills, emotional intelligence, communication effectiveness and multiple other competencies, needed to be successful in the world of tomorrow.

We are extremely passionate about making a meaningful impact on the communities and people around us and transforming their lives for the better. We are doing this through multiple projects and initiatives including Project 'Abhilasha', Project 'Payal', Project 'Protsaahan', Project 'Samvedna', Project Vikalp and Project 'Utthan'.

The list of our accomplishments is long and of our dreams for the future even longer. Our journey to climb greater heights and raise the benchmark of excellence will continue in 2020 and beyond.

Dr. Sunil Rai
Vice Chancellor

ABOUT THE UNIVERSITY

University of Petroleum and Energy Studies (UPES) was established in the year 2003 through UPES Act (2003) of the State Legislature of Uttarakhand and listed under Section 2(f) of UGC Act. The university has a sprawling 40-acre campus in the lush and verdant environs of Dehradun. With an ambitious vision and unique approach, UPES has emerged as an innovative institution offering industry-focused, specialized undergraduate and postgraduate courses in the field of Engineering, Management, Law, Health Sciences, Design and Computer Sciences.

With an expansion of UPES charter under the 'University of Petroleum and Energy Studies (Amendment) Act, 2018, UPES can extend education and conduct research in areas like Humanities, Social Science, Natural Science, Engineering Technology, Medical, Dental & Health Science, Law Studies and Formal Science.

The university focuses on the multifaceted all-round growth and development of students, which is reflected in its superior track record of 90%+ placements year after year, given its industry-oriented programs and emphasis on holistic development.

FACULTY AND STAFF ORIENTATION PROGRAM

AARAMBH (FACULTY & STAFF ORIENTATION PROGRAM)

Aarambh is an orientation program conducted to take all new joiners through a two day program to help employees understand the length and breadth of the University through sessions taken by the School / Function Heads. This program has been designed to help new joiners to interact with the leadership team and discover UPES.

PEOPLE DEVELOPMENT PROGRAM

UDAAN:

A Leadership building program for 30 Academic Heads of departments from 6 schools with an aim to build their leadership capability thereby helping them become more effective people managers, was launched. This is a 1-year long journey having 4 powerful modules on Managing Self, Managing Teams, Managing Organizations and Leading Change. Each module is designed in a way that there are lot of interactive sessions, simulations and role plays with immersive experience. Each module is further designed in a slot of 3 days thereby ensuring an investment of 12-man days of leadership development at HOD level.

SHAKTI 2:

After successful completion of Shakti 1, UPES launched Shakti 2, a power packed program for the emerging women leaders at UPES. The purpose of the program is to develop the leadership capability of our women leaders who have been taken through a carefully designed intervention focused on adaptive skills, emotional intelligence, communication effectiveness and multiple other competencies needed to be successful in the world of tomorrow. The program is spread over nine months and is based on real empowerment.

SHIKHAR:

Shikhar is talent development initiative and has been designed for developing leadership capability and a pipeline for larger roles as UPES grows. The program has been designed with the intent of helping the leaders to understand their roles deeper and quickly cultivate credibility with their stakeholders and also to make them start their journey from Manager to Leader Transition. The program consists of 4 modules and 9 man-days.

PRAGATI 2:

The initiative was launched to inspire high potential and high performing leaders who possess the capability, attitude, aspiration and have been contributing to the organizational growth. The five key elements of Pragati are inspire, influence, immerse, improve and ignite. The programs focus on executive coaching and mentoring with the objective to develop strengths of individuals and work on their areas of development. It aimed to find the next top leaders of UPES who have the capability to move at least one level higher from their current role in a time span of two years and at least two level higher in 4-5 years. Pragati has 4 modules based on Mckinsey Transformational Leadership Program and designed for a period of 12 months.

UTSAV:

The event was organized in the month of October where UPES employees and their family celebrated Diwali. Utsav is an opportunity to express our gratitude to one and all supporting UPES in its journey, scaling newer heights. 'Long Service Awards' were also given to employees completing 5, 10 and 15 years of service to express our gratitude to them too for their loyalty and for putting in many years of service with us.

MANTHAN:

Manthan is an event where the entire leadership team meets to celebrate the achievements of the times that

have been and discuss the strategy for the times that will be. As part of celebrations in “Manthan”, Excellence Awards are conferred upon employees under 8 categories as below:

- SOUL of UPES
- Best Faculty
- Best Researcher
- Best School
- Best Team
- Best Employee Award
- Best Leader – Academic & Non-Academic
- Best New Comer Award - Academic & Non-Academic

Nominations are taken from School Heads, Functional Heads and Managers followed by which an Awards Selection Committee comprising of Vice Chancellor, Chancellor, Chief Commercial Officer and Head HR deliberate looking at all achievements of nominees. Finally, those selected are felicitated at the Annual Awards – 'Excellence Awards Ceremony' at Manthan, one of the grandest Felicitation Fiestas at the UPES.

NEW INITIATIVES

KADAM:

Under UPES philosophy of Total People Development, an initiative taken to help all employees (faculty / staff) of UPES to develop professional and personal capabilities / skills. UPES have partnered with Coursera to provide with a flexible tool that opens doors to world-class learning for anyone, anywhere, anytime. Coursera is an online education provider that offers more than 3600+ online courses from top universities around the world. Currently it has 150 such university partners from 29 countries around the world.

BLACKBOARD

A state-of-the-art mobile enabled digital learning & collaborative platform ('Blackboard') has been implemented. Blackboard as Learning Management System tool is used in some courses for Hybrid – Blended teaching and learning. The features are mentioned below:

- Blackboard Collaborate is majorly used for synchronous sessions. Lectures are being recorded for students to review and listen to lectures offline. In some courses content is being used for asynchronous sessions. Reporting features are also available only for individual courses
- Management – Course Reports, Performance Dashboard, Retention Center
- Information – Email, Calendar, Announcements, Tasks, My Grades, User Directory

- Content – Course Structure, Lesson Content, Weblinks, Links to media, Multimedia content is developed by UPES faculty members on LMS - Blackboard
- Collaboration – Discussion Boards, Blogs, Wikis, Journals
- Assessment are used for conducting class tests, online tests, assignments, Rubrics, Grade Center supplementary examinations, mid-term examinations and end semester examinations for non-graduating batches
- Kaltura – Video Recordings
- Respondus – Online proctoring for assessments

During the time of Covid, 100% classes and continuous evaluation have been conducted on BlackBoard.

FACULTY FEEDBACK

In order to ensure that students have an enriching learning experience, UPES has implemented a certain Quality assurance systems and procedures. In particular, to ensure the quality of teaching, learning and assessment, including other support facilities (Campus, Infrastructure, IT services etc.). The University collects feedback from various stakeholders (Alumni, Faculty, Students and Employers) for the purpose of continuous quality improvement in the courses taught & other facilities.

The feedback helps us to consider concerns and difficulties of students, if any, and plans improvements that may be necessary to enrich the teaching learning experience. Students' feedback helps UPES work towards higher excellence of self-correcting and self-perfecting.

The University Academic Monitoring System operates through a unified portal to enable online and accurate feedback to different levels of hierarchy for timetable implementation and student's attendance.

To ensure the quality of teaching, learning and assessment, UPES collects feedback once in a semester from students for the purpose of continuous quality improvement in the courses taught. The Teaching and Learning feedback questionnaire has three sections, namely, Teaching & Learning, Course Structure and Design and Overall Quality of Course. Feedback questionnaire is made available on the student portal just after the mid semester examinations and remain there for a duration of three weeks. The Academic Planning and Monitoring Team consolidates parameter wise data and analyzed data output is shared with HR Department, Academic Strategy Team and Schools and Departments for their further action.

NET PROMOTER SCORE (NPS)

From 2014 onwards, UPES carries out a comprehensive student satisfaction survey through a popular instrument known as Net Promoter Score (NPS). An NPS survey has been designed with the focus on understanding, measuring and responding to student feedback in the strategic plans and refining the processes. The scoring of the survey is based on a scale of 1 to 10. Student responses on the scale, are categorized as Promoter, Neutral or Detractor, as per the following range of scores i.e. 9-10: Promoters, 7-8: Neutral and 0-6: Detractors.

INITIATIVES TAKEN FOR AY 2019-2020

The Examination department of the University continually strives to improve all examinations related processes for better functioning working towards complete automation of the examination system from setting of question papers to the declaration of the result.

- A. Hall Ticket Process was implemented and made live.
- B. Faculty support system vide which faculty member will be uploading marks through unique IDs for respective courses being taught.

C. As per the directions received through notified 'UGC Guidelines for Examinations and Academic Calendar for the Universities due to COVID-19 Pandemic' dated 29th April 2020, students of Academic Year 2019-2020 are to be progressed to the next Academic Year 2020-21.

UPES scheduled two cycles of online examinations with full liberty to choose between Chance 1 and Chance 2 for graduating batches (final year students).

The Platform used offers following with proctoring features:

- Live display of candidate screen during test
- The test can be paused/resumed in case of any suspicious activity
- Proctor can terminate the test if the student found using malpractices
- The candidate can chat with proctor for any clarity and vice versa.

Chance-1 examination schedule for Final year students was conducted from 01st May to 10th May 2020 in Online Proctored Mode. The result for the same was declared on 15th June 2020.

Qualified students have been issued a Provisional Degree Certificate.

Chance-2 examination schedule for Final year students was conducted from 25 July-5 Aug 2020 in Online Proctored Mode. The result will be declared on 14 Aug 2020.

End Semester Examinations for Even Semester for all theory/lab/other courses covered in virtual mode (Non Graduating Batches) were conducted in Online Mode using various innovative methods on LMS based platform using open book/project/assignments/MCQ/Case Study methods.

The LMS used as Examination Platform facilitated following features.

- LMS offers tools to maintain the integrity of the assessment process
- Tools implemented for plagiarism check on submissions of assignments
- Offers flexibility for innovative assessment modes

End Semester Examinations Non-Graduating Batch (except final year) were conducted in Online Mode on Blackboard Platform from 6 July -24 July 2020 and the result was declared on 8th Aug 2020.

Students can access all notifications, date sheets, download grade cards, pay online, upload documents, re-register for progression process, etc. through Online Student Portal.

They can also request Bonafide Certificate/ Migration Certificate/ Percentage-Conversion-Certificates, Degree Collection/Verification, Grade Cards verification etc. through Online Help Desk.

RESEARCH AND DEVELOPMENT

A University's worth, it's 'greatness', should be judged by its value to the society. Since its establishment, UPES has been among India's pioneering innovation driven University with fine tradition of developing research culture in the organization by creating dedicated research centers and winning several research projects from National and International Funding Organizations; both in the public and private sectors.

UPES has a strong ecosystem to support innovations and research. To foster a research culture that provides solutions through innovative applied research to society and intellectually stimulating environment for research faculty; UPES has developed a commensurate research policy:

- Expansion of research databases through subscription of SCOPUS, ScienceDirect, Web of Science, Emerald Insight, EBSCO, IEEE etc.
- Provision of seed grant for undertaking interdisciplinary and innovative research projects.
- Student support for research through a scheme 'RISE' (Research and innovation for Students of Engineering) & SODH to test the feasibility of their innovations.
- Talks, lectures from eminent researchers, conference, seminars etc.
- Establishment of Resource Centre CAER (Centre for Alternate Energy Research), CMI (Center for Machine Intelligence) and Center for Sustainable Management.
- Financial support for attending national and international conferences etc.
- Rewards & Recognition policy & Research Advisory Committee

RESEARCH CENTERS

Centre of Alternative Energy Research (CAER), UPES

Facilities at Centre of Alternative Energy Research (CAER), UPES

- Solar Thermal Pyrolysis Reactor (15 Kg/Batch)
- Digital Pyrolysis Reactor (100 G/Batch)
- Digital Pyrolysis Reactor (50 Kg/Batch)
- Municipal Solid Waste Segregator
- Plastic Shredder Machine
- Floating Type Biogas Production Plant (6 M³ / Day)
- Floating Type Biogas Production Plant With Biogas Engine Set Up (80 M³/Day)
- CSTR Biogas Plant (40 M³/Day)
- Gasification Reactor (Downdraft Gasifier, 20 Kg/Batch)
- Briquetting Machine
- Screw Press Expeller
- Lab Scale Biodiesel Reactor (1L/Batch)
- Biodiesel Reactor (5L/Batch)
- Biodiesel Production Plant (100L/Batch)
- Fermenter
- Algae Photo Bioreactor
- Open Raceway Ponds

- Soxhlet Extraction Unit
- Hydrothermal Liquefaction Reactor
- Viscometer
- Density Meter
- Pour And Cloud Point Apparatus
- Bomb Calorimeter
- Gas Chromatograph With TCD And FID
- Hot Air Oven
- Muffle Furnace
- Vacuum Oven
- Weight Machine (100 Kg)
- Weight Machine (0.001 G)
- Ultrasonic Interferometer
- Hot Plate Magnetic Stirrer
- Heating Mantle
- Solar Cooker
- Chirpine Grinder
- Refrigerator
- Centrifuge
- Scheffler Dish
- Fuel Combustion And Emissions Analysis Set Up
- Distillation Assembly
- Fixed Bed Reactor (Gas To Liquid Production Technology)
- Multi Fuel Cooking Stove (NEELAM Cooking Stove)

Experimental Facilities at Biofuel Research Laboratory

- Pyrolysis of Biomass And Plastic Waste
- Solar Thermal Pyrolysis of Biomass
- Upgradation of Pyrolysed Oil
- Plastic to Fuels
- Segregation of Mixed Plastic Waste
- Torre Faction of Biomass
- Solar Cooker Experimental Set-Up
- Development of Oil Extraction Method
- Development of Catalyst For Biodiesel Production
- Determination of Viscosity, Density, Calorific Value, Fire, Flash Point, Cloud and Pour Point
- Improving Oxidation Stability and Cold Flow Properties of Biodiesel
- Analysis of Biogas and Producer Gas Using GC-TCD
- FAME Analysis Using GC-FID
- Ultimate and Proximate Analysis
- Acid Value Analysis
- Synthesis of Lubricant Oil and Analysis
- Corrosion Analysis of Fuel
- Biodiesel Production and Optimization

- Chula Designing and Testing
- Briquetting Production and Analysis
- Tubular Reactor for Gas Phase Reaction (For Gas to Liquid Production)
- Bio Hydrogen Production Experimental Setup
- Combustion Analysis of Biofuels
- Hydrothermal Liquefaction and Carbonization of Biomass
- Gasification of Biomass
- Optimization of Biogas Production and Upgradation
- Microalgae Biofuel Production
- Development of Microalgae Algae Harvesting and Oil Extraction Technologies
- Sewage Sludge for Energy Production
- Biomass to Power Generation Through Gasification
- Bio-char as Adsorbent

School of Engineering	Sustainable Energy Workshop for students in Remote Himalayan region schools of Chamoli, Uttarakhand	DST	Atri Nautiyal, Dr. Mohammed Yaqoot and Dr. Bhartendu Kumar Chaturvedi	01-07-2019	1 year	₹13,40,440	Ongoing
School of Engineering	Hands on activities on energy, water and environment conservation for youth in hilly regions of India	DST	Atri Nautiyal, Dr. Mohammed Yaqoot and Dr. Bhartendu Kumar Chaturvedi	28-06-2019	1 year	₹11,15,000	Ongoing
School of Engineering	Economic Valuation of Himalayan Biodiversity: A Case Study of Selected Wetlands and National Parks of Northern India	ICSSR	Dr. Mohammad Younus Bhatt	27-08-2019	1 year	₹10,60,000	Ongoing
School of Computer Science	Innovacity- Smart City innovations towards efficient urban spaces	Wilson Award	Dr. Kiran Kumar	12-08-2019	2 years	₹10,00,000	Ongoing

School	Title	Funding Agency	Team	Date of Sanction	Duration	Cost	Status
School of Computer Science	InsighTD – Investigating Causes and Implications of Technical Debt in Software Projects through a Globally Distributed through a family of survey	Wilson Award	Ms. Mithali Chug, Dr. Kiran Kumar	09-09-2019	2 years	₹17,50,000	Ongoing
School of Engineering	Monitoring and analysis of water quality in drains for proposal in situ treatment bioremediation	Namami Gange	Dr. Nihal Siddhique	05-11-2019	1 year	₹5,91,448	Ongoing
School of Engineering	Experimental investigation on Janus nano-displacing fluid as an Enhanced Oil Recovery technique	DST SERB	Mr. Satyajit Chowdhury	18-10-2019	2 years	₹18,30,000	Ongoing
School of Engineering	Theoretical and experimental Studies on the transformation of macroalgal biomass for bio-oil production	DST SERB	Dr. Sanjay Kumar	08-10-2019	2 years	₹18,30,000	Ongoing
School of Engineering	All-metal plasmonic perfect absorber metamaterial structures to capture visible-NIR radiation: Computational study and experimental feasibility	DST SERB	Dr. Prasanta Mandal	21-11-2019	3 Years	₹15,00,000	Ongoing
School of Engineering	Mapping of electromagnetic power radiation density emitted by cellular towers and its impact on the ecological system in Dehradun Dist.	UCOST	Dr. Piyush Kuchhal, Dr. Ranjan Mishra	24-09-2019	2 Years	₹3,00,000	Ongoing
School of Computer Science	Technological interventions which will assist wildlife research and conservation	Wildlife Insitute of India	Saurabh Shanu	13-11-2019	6 Years	₹2,10,000	Ongoing

PATENTS

Sr.	Inventors	Application No.	Title	Date of Publish
1	Dr. Rajeev Tiwari, Mr. Sumit Kumar	201911023536	System and method for multiple parametric content placement for minimizing propagation delay in CCN	5-Jul-19
2	Nikhil Raj, Balaji Venkateswaran V, Surajit Mondal, Dr. Jitendra Kumar Pandey	201911020675	Dual Energy Harvesting using Wind Turbine	6-Jul-19
3	Dr. Harinandan Kumar	320476-001	Portable and Detachable Vice For Holding Work Piece	8-Jul-19
4	Dr. Rajeev Tiwari, Mr. Sumit Kumar	201911033002	Multiple parametric content placement system and method	30-Aug-19
5	Mr. Amit Verma, Dr. Manish Prateek	201911033014	Circuit for a Ternary NAND gate and a Ternary NOR gate based on a Ternary logic	6-Sep-19
6	Dr. Harinandan Kumar, Dr. Upendra Singh Yadav, Dr. Sunil Kumar Khare, Mr. Anurag Tripathi, Ms. Anveshika Shanker, Ms. Gitiksha Khandelwal	201911035138	Cutting device for cutting tubular workpieces	6-Sep-19
7	Dr. Deepak Kumar, Dr. Ajay Kumar, Mr. Vinay Chowdary, Subhransu Sourav Priyadarshan, Shivam Thapliyal, Atishay Jain, Akash Chauhan	201911035275	A system for authenticating a driving license	6-Sep-19
8	Dr. Shamik Tiwari, Mr. Varun Sapra, Dr. Anurag Jain	201911030037	A Two-phase system for analysing the possibility and type of Arrhythmia	8-Sep-19
9	Mr. Yashasvi Mittal, Mr. Siddharth Choudhary, Mr. Prashant Shukla	201911030146	A vehicle collision avoidance system	8-Sep-19
10	Dr. Manish Prateek, Mr. Amit Verma	201911031214	Circuit for a ternary decoder based on a ternary logic	8-Sep-19
11	Dr. Ajay Kumar, Mr. Caneon Kurien, Dr. Deepak Kumar	201911035506	Microwave assisted composite regeneration system for a diesel particulate filter	20-Sep-19
12	Dr. Adarsh Kumar, Mr. Harvinder Singh, Mr. Saurabh Jain, Mr. Deepak Sharma	201911040934	Lightweight plug and play USB cyber-hunter device	18-Oct-19
13	Gunjan Chhabra, Varun Sapra, Dr. Rashmi Sharma, Rishabh Bansal	201911043175	Ignition control system for a two-wheeled vehicle	1-Nov-19
14	Dr. Venkateswarlu Chintala, Mr. Swapnil Sureshchandra Bhurat, Dr. Shyam Pandey, Mr. Ram Kunwer, Mr. Aditya Kumar, Mr. Manas Jaiswal, Mr. Ayush Chaturvedi	201911044038	A Fuel Vapourizer Unit	1-Nov-19

SOME OF OUR ALLIANCES

STUDENTS SUPPORT AND EXTENSION ACTIVITIES

The department of Student Engagement and Experience (SEE) is conceptualized to foster all-round development of UPES student and to provide students with emotional support in the form of personal Counselling and Mentoring and to help them. Identify personal values, appreciate differences, and adapt to a diverse society.

UPES understands that Extra-curricular and Co-curricular activities are just as important as academics. SEE closely work with students to ensure a wide range of initiatives and activities for engaging them throughout the academic year.

MANDATE OF STUDENT WELFARE

- To provide emotional support to the student in the form of personal counselling & mentoring and to help them identify personal values, appreciate differences, and adapt to a diverse society.
- To serve as first point of contact for students for any unheard issues.
- To develop, coordinate and run relevant prevention programs that help them become responsible citizens.
- To provide them a platform to exhibit their skills and talents, through the mode of various activities where like-minded people meet each other, exchange ideas and develop into better human beings.

The department of SEE encompasses the following areas:

Student's Counselling: Offers variety of personal and Clinical Counselling and support students in times of need.

Personal Counselling: On issues viz. Home Sickness, Academic Overload, Exam Pressure, Peer Pressure, Attendance, Year Back, Adjustment Issue.

Clinical Counselling: UPES full time Clinical Psychologist adopts holistic approach and includes all domains of student's life while providing group and one to one counseling. The Counselor aids the students with problems of adjustments, temperament, anxiety, depression, and family & relationship issues. There are special sessions on subject of awareness and education such as gender equality, drug abuse, prevention of sexual harassment and so on.

CLUBS / STUDENT CHAPTERS

Student Chapters and Clubs provide unique opportunities for networking, mentoring and bonding over common interests. They provide support both within the student community and to local communities outside the institution.

Student Chapters are intended to provide a platform through which students may share their special concerns and run programs for students and other members of the community with an interest in information science.

CORPORATE SOCIAL RESPONSIBILITY

Since its very inception, UPES has been aware, sensitive and active in its responsibilities towards the society in general and the neighboring community in particular. The University encourages active participation of the students in implementation of its voluntarily initiated societal responsibility interventions that aim to encourage, empower & equip the lesser privileged in the society. The focus areas of the interventions are categorized under education for the underprivileged at the primary level; special focus to support Girl Child education at all levels; economic empowerment of rural women and contributing towards Nation Building activities.

UPES students not only volunteer in social engagements conducted by the University but have also initiated many such activities on their own.

PROJECT SANKALP: To provide educational support to the students of adopted Govt. Primary School for raising the bar of academic standards in Govt. Primary Schools which is implemented by UPES Faculty Mentor through his team of student Volunteers of the University. UPES student volunteers form teams and visit the primary School every Saturday (and any other weekday if they can manage) to conduct English & Mathematics classes and to conduct activities to develop interpersonal skills of the young children on rotational basis.

Under 'Energy Education Activity' UPES CSR team along with UPES student volunteers presented a set of 81 Inspirational & Educative Books on wide-ranging topics viz. Stories; Poems; Great Indian Leaders & Freedom Fighters; Science; History; Moral Science etc. along with the 24 'CHARTS' on Alphabets, Numbers, Colours, Shapes, Animals, Flowers, Body Parts, Good Habits, etc. to the adopted Govt. Primary Schools.

PROJECT VRIDHI: UPES continues to assist the Uttarakhand Government's efforts towards promotion of education amongst the rural masses in the year 2019-20 as well. UPES CSR Team carries out an academic intervention under 'Project Vridhi' throughout the year at the 08 Rajkiye Prathamik Vidyalaya's (RPV) located around a radius of 10 Kms of its campuses. Observing a need for stationery requirements at the schools during the academic sessions, UPES CSR took upon itself the responsibility of providing Stationery Items viz. Notebooks for English, Mathematics & Hindi; Pencils; Eraser and Sharpeners to the students throughout the Academic Year 2019-20.

A 'Comprehensive Infrastructural Revamping' of the 8 Government run Primary Schools 'Rajkiye Prathamik Vidyalaya, Kharakhet' was undertaken during January-March 2020. The Infrastructural works undertaken in the school included repairs of floors & roofs; repairs of all doors and windows; complete renovation of toilets; repairs of furniture; plumbing retro-fitting; whitewashing of buildings including boundary walls; augmentation of drinking water facilities; re-painting of all Signages, etc.

PEHEL: A Donation Drive is carried by IEEE UPES Student Chapter for the underprivileged children of Village Bidholi. Students Volunteers of IEEE UPES Student Chapter presents the children with Stationery, Food Packets and Gifts.

PROJECT UTHAN: Recognizing UPES's contributions in development of the State of Uttarakhand through its social responsibility interventions, the honorable Chief Minister - Uttarakhand requested UPES assistance in developing a Model Smart Village in the State as a Project that can later be replicated all over the State. Taking up the challenge, the UPES-CSR identified the twin villages of 'Koti & Dhalani' - located within a 20 kms. radius of the University for the same. The distance was arrived upon to ensure convenient monitoring by the UPES Team. Taking up the processes in 2018-19, UPES CSR Team held several meetings with the village Pradhan, elders & other elected representatives to understand the requirements and suggest solutions. The work was on diligently throughout 2019-20 leading to identification of interventions in the field of Healthcare, Livelihood, Education, Promoting Tourism, Mitigation of Wild Animals menace in Argi-production, etc.

For AY 2019-20, UPES CSR Team has conducted 13 Medical Healthcare Camps, established a 'Smart Classroom' in Govt. Secondary School, Dhalani, worked upon revival of Water Mills (gharats), identified several livelihood projects for the residents, promotion of Adventure Tourism with Bird Watching trails & Mountain Bike Track, etc.

For the Medical Healthcare camps, services of local MBBS doctor Dr. Shivam Arora from Village Upper Kandoli was outsourced. The camps were organized in close coordination with the Village Pradhan, senior members of the villages and Village Panchayat Members.

PROJECT SAMVEDNA: As the name suggests, Project 'Samvedna' - is a 'sympathetic' initiative to run a 'DAY SCHOOL' for education, Day-care and Mid-day meals to children of construction workers engaged in work at the UPES Campus. UPES campus becomes a transit home for migrant construction workers as and when construction activities are undertaken in the campus. Many workers are accompanied by infants and children who need to be cared for while their parents are working. UPES has been extending care by providing education and day-care to such children for the past many years. The initiative also provides for

books, stationery, toys & games, clean drinking water & toilet facilities and medical care to the children. The Day School has a trained B.A., N.T.T. qualified full-time Teacher with 2 nos. full-time Matrons to teach and look-after the children while their parents are busy at work. UPES students lend their regular voluntary support to the project by frequenting the Day School to spend time with the tiny-tots, reading poems & stories or just playing with them. The initiative was active throughout 2019-20.

SAHYOG: UPES FIPI Student Chapter, in collaboration with ICFDR, NGO initiated to organize Easy Classes. Volunteers from both, UPES FIPI Student Chapter and ICFDR Dehradun, joined their hands to help the students by making them learn new things, organizing educational activities and extra-curricular activities within the school premises for the students from 1st to 5th standard.

MENTOR – MENTEE PROGRAM

UPES has adopted Mentor-Mentee System in all Schools. As per the UPES Mentor-Mentee policy, each student will be assigned a Faculty mentor upon his / her joining to UPES. The faculty mentor shall have an advisory role and guide / assist the student in the pursuit of his / her academic career throughout his / her tenure at UPES. Students are expected to consult their Faculty mentors on any matter relating to their academic performance and the courses they may take in various semesters / summer terms. The Faculty mentor is assigned to extend guidance to the students enabling them to complete their courses of study for the required degree in a smooth and timely manner. The Faculty mentor is the person to whom the parents / guardians should contact for performance related issues of their wards.

A faculty mentor is expected to:

1. Guide a student on rules and regulations of the academic programme
2. Pay special attention to the academically weaker students

3. Guide and liaise with the parents of students
4. Monitor and analyse performance of the students on regular basis
5. Encourage students to satisfy the mandatory attendance requirement
6. Analyse and try to solve personal problems of the students
7. Record all the activities in the mentor diary in the prescribed format

Each student shall register for a set of courses as advised by his / her faculty mentor at the commencement of every semester. Students with backlog should continuously seek help from their faculty mentors. The University shall also communicate to the parents / guardians regarding performance of their ward by scanning copy of grade card at the end of each semester.

STUDENT INDUCTION / ORIENTATION PROGRAM

UPES conducts student orientation program to create an atmosphere which can reduce the anxiety associated with transition from school to college, promote positive attitude and stimulate an interest in learning. It creates a welcoming atmosphere for students and families to meet faculty, staff as well as other new students.

Planned and executed the following events:

- Institute Level Induction
- Department Level Induction
- Faculty / Program Interaction
- Understanding of your Industry mentor
- Guest Lecture
- Technical / Specialization Workshops
- Ice-breaking Sessions
- Mentoring Session on
 - a. Self

GRIEVANCE REDRESSAL

The University is very meticulous when it comes to redressing the student grievances related to academic and non-academic matters. There is robust and transparent Grievance Redressal mechanism which is in practice to ensure that the grievances are resolved promptly, neutrally and in complete confidentiality. The primary objective is to introduce a fair, impartial and consistent mechanism for redressal of various issue faced by the students/parents in accordance with UGC guidelines. While this platform allows all students to voice their concerns it is imperative that the concern must qualify as a grievance that is serious enough to deserve the attention of the committee. A Grievance Redressal Committee is constituted in order to address the grievance and ensures speedy resolution of the problems / complaints / grievances including sexual harassment and ragging cases.

Action Points	Total No. of cases Reported	Total no. of Cases Addressed
Grievances	18 cases	18 cases

University of Petroleum & Energy Studies

Significant Accounting Policies and Notes to the financial statements

A General information:

University of Petroleum & Energy Studies is a Statutory University established through an Act namely University of Petroleum & Energy Studies Act, 2003 (Act No. 15 of 2003) [hereinafter referred to as UPES Act] passed by the Uttaranchal Legislative Assembly and assented to by the Governor on July 08, 2003. The University is governed by the UPES Act and Statutes and Rules passed as per Chapter V of the UPES Act.

B Summary of significant accounting policies:

i) Basis of preparation

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards issued by the Institute of Chartered Accountants of India.

All assets and liabilities have been classified as current or non-current as per the University's operating cycle. Based on the nature and the time between incurrence of expenditure relating to the delivery of Society's services and their realization in cash and cash equivalents, the University has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

ii) Transfers:

(a) Transfer from Income & Expenditure Account:

25% of the total interest accrued up to 31st March 2020 from bank in respect of fixed deposit of Rs. 1.95 crores has been transferred to Permanent Endowment Fund as per requirement of clause (4) of section 41 of the UPES Act.

Balance Interest accrued up to 31st March 2020 from Bank in respect of fixed deposit has been transferred to Development Fund as per requirement of clause (4) of Section 41 and sub-clause (e) of clause (1) of section 43 of the UPES Act.

(b) Transfer from Development Fund:

That portion of the Development Fund which has been utilized for the acquisition, construction or major repair of the asset is transferred to General Fund. So long as the asset is not fully acquired or constructed or the activity is completed the proportionate fund is kept in Development Fund.

iii) Tangible assets

Tangible assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price including import duties and non-refundable taxes and directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management. Subsequent costs related to an item of Property, Plant & Equipment are recognized in the carrying amount of the item if the recognition criteria are met.

Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements under the head "Other current assets". Any expected loss is recognised immediately in the Statement of Income and Expenditure.

Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets which are carried at cost are recognised in the Statement of Income and Expenditure.

Leasehold improvements are amortized over the term of the lease or useful life which ever is lower.

Depreciation is provided on written down value basis, as per the depreciation rates prescribed in Schedule XIV of the Companies Act, 1956. The depreciation charge for each period is recognised in the Statement of Income and Expenditure. The residual value and the depreciation method are reviewed atleast at each financial year end. If the expectations differ from previous estimates, the changes are accounted for prospectively as a change in accounting estimate.

Assets	Rate of depreciation
Land	0.00%
Building	10.00%
Classroom Equipment's	20.00%
Computers	40.00%
Furniture & fixture	25.88%
Office Equipment's	13.91%
Vehicles	25.89%
Library Books	13.91%
Plant & machinery	13.91%

iv) Intangible assets

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortised on a written down value basis. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortisation period is changed accordingly.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Statement of Income and Expenditure.

Assets	Rate of depreciation
Softwares & online courseware	40.00%
Online Library Books	13.91%

v) Capital work in progress

Capital work in progress represents costs incurred to date on a fixed asset which is still under construction at the balance sheet. The cost being incurred on such assets is capitalized when the work is completed and the asset is ready to use.

vi) Revenue recognition

Revenue from the tuition fees, hostel fees, transport fee, computing fees etc or other services is recognised for financial year on proportionate basis when no significant uncertainty exists regarding the amount of consideration that will be derived from rendering of the services and are recognised net of scholarship.

Late Fine is recognized at the time of receipt of money.

Interest Income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

vii) Foreign currency transactions**Initial recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences on restatement of all other monetary items are recognised in the Statement of Income & Expenditure.

viii) Employee benefits

Provident fund: Contribution towards provident fund for certain employees is made to the regulatory authorities, where the University has no further obligations. Such benefits are classified as Defined Contribution Schemes as the University does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity: The University provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The University's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Income and Expenditure in the year in which they arise.

Compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The University's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Income and Expenditure Loss in the year in which they arise.

Termination Benefits: Termination benefits are recognised in the Statement of Income and expenditure as and when incurred.

ix) Leases

As a lessee: Leases in which a significant portion of the risk and rewards of ownership are retained by the lessor are classified as operating lease. Payments made under operating lease are charged to the statement of Income and Expenditure on a straight line basis over the period of the lease.

x) Taxation

The university has obtained exemption from Income Tax u/s 12A vide order dated 12th October, 2004. It will be in force till it is withdrawn by competent authority. No provision for income tax is therefore made in the accounts.

xi) Impairment of assets

The University assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the University estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognized in the Statement of Income & Expenditure. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to the maximum of depreciated historical cost and is accordingly reversed in the Statement of Income & Expenditure.

xii) Provision, contingent liabilities and contingent assets

Provisions: Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

xiii) Contingent liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the University or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be

Contingent assets: Contingent Assets are neither recognized nor disclosed in the financial statements.

xiv) Cash and cash equivalents

Cash comprises cash on hand and balance with banks. Cash equivalents are short-term highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(All amounts in INR, unless otherwise stated)

University of Petroleum & Energy Studies
Significant Accounting Policies and Notes to the financial statements

C Notes to the Financial Statements:

In view of the volume of University operations, it has been decided to prepare these financial statements in compliance with Accounting Standards issued by Institute of Chartered Accountants of India which was not considered mandatory in the past as the University is non profit institution and does not carry any commercial, industrial or business activity. The financial impact of such compliance and disclosures is given in the respective notes on Foreign Exchange transactions and Lease payments.

1 Cash & Bank Balances:

Cash & Bank Balances include a fixed deposit of Rs.1,95,00,290/- (Rupees One Crore Ninety Five Lacs Two Hundred and Ninety only) made against permanent endowment fund of the university as per requirement of clause (1) and (2) of Section 41 of the UPES Act.

2 Employee benefits
