

IYRC 26-28 Feb 2026

About IYRC

IYRC is an exhibition of the ongoing research activities of educational institutions. It provides a platform for exchange of thoughts between distinguished guests and participants from different cultural and scientific backgrounds, facilitating industry and academia interaction with an emphasis on the technological requirements. IYRC aims to inspire and encourage undergraduate, postgraduate and Ph.D. student community to pursue a career in research. It is a forum to harness young minds by taking innovations made in research to their actual implementation in the industries. IYRC aims to be a catalyst to build holistic, transformable and innovative ideas. We invite young researchers to register and participate in IYRC 2026.

Benefits of the Conclave

Collaborative Opportunities:

A platform for participants across diverse scientific and cultural disciplines to exchange ideas and innovate among institutions.

Industry-Academia Partnerships:

Strengthening ties to address emerging technological challenges and foster innovative solutions for the future.

Access to Funding:

Connecting participants with funding channels to support pioneering research and development projects.

IYRC 2026 is jointly organized by UPES R&D and CIDRI
